Subject: Removal from Suspension Status, SRS Mining, Flake 1 Mine, S/027/019,  
Millard County, Utah

Dear Mr. Hodges:

On August 10, 2004, the Division notified you that your mining operation was placed in suspension for failure to pay the required permit fees for fiscal years 2003-2004 and 2004-2005. We have since received your \$300.00 permit fee for these two years; therefore, your mine status is no longer listed as being in suspension and you may continue mining operations as before.

Permit fees are required annually (by the last Friday in July) until the site has been completely reclaimed and you have received written notification from this office that the permit is officially closed.

Nonpayment of permit fees suspends an operator's right to mine. With the new enforcement rules now in place, notices of violation can be issued and penalties assessed for nonpayment of permit fees, or other violations of the Mined Land Reclamation Rules. We hope to avoid taking enforcement action against mine operators. Thank you for keeping your mine permit in good standing.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
